The County estimates using this service for approximately 30 – 40 bus trips per year. Each trip may range anywhere from 100 miles to 500 miles round trip and may last from 4 –15 hours each day, depending on the activity. It is the County's intent to award contracts to multiple providers. The County does not guarantee any number of trips to any one contractor. The County intends to award a one (1) year contract with renewal options for up to three (3) additional one (1) year periods.

2.0 COMPETITION INTENDED

It is the County's intent that this Request for Proposal (RFP) permit competition. It shall be the offeror's responsibility to advise the Purchasing Agent in writing if any language, requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this RFP to a single source. Such notification must be received by the Purchasing Agent not later than ten (10) days prior to the date set for acceptance of proposals.

3.0 BACKGROUND INFORMATION

Some of the County agencies that use charter bus services are Human Resources Training ("Training") and the Department of Parks, Recreation and Community Services ("PRCS"), although other agencies may utilize this service on occasion. Training typically hosts one (1) half-day Eastern Loudoun tour in the spring and one (1) half-day Western Loudoun tour in the fall. PRSC coordinates participation in day and overnight recreational trips for youth, adult and senior citizen populations. Advertising and collection of fees are the responsibility of the County agencies.

Two (2) typical trips have been listed in Section 10.0. These trips are similar to what will be requested throughout the contract period. All rates provided in these typical trips shall remain firm for the first year of the contract and shall be used when pricing any future trips as part of the resulting contract.

RIDER CLAUSE
Use of Contract by Members of the
Northern Virginia Cooperative Purchasing Council and
the Metropolitan Washington Council of Governments

RFP **Charter Bus Services**

QQ- **01372**

This clause is intended to allow a successful vendor to offer the goods and services of the bid to other member jurisdictions of the Northern Virginia Cooperative Purchasing Council and the Metropolitan Washington Council of Governments. If a mark is made in the **YES** column next to a member name, the pricing, terms and conditions of the final contract are offered to the appropriate member. The successful vendor may directly notify any member jurisdiction of the availability of the contract.

Offering to sell goods and services as a result of this solicitation to other member jurisdictions is voluntary on the bidder's part. A member jurisdiction's participation in the contract is voluntary, also. Any jurisdiction obligated to participate in the contract is indicated in the body of the solicitation and contract.

Each participating jurisdiction has the option of executing a separate contract with the awardee. Contracts entered into with a participating jurisdiction may contain general terms and conditions unique to that jurisdiction including, by way of illustration and not limitation, clauses covering minority participation, non-discrimination, indemnification, naming the jurisdiction as an additional insured under any required Comprehensive General Liability policies, and venue. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, may withdraw its extension of the award to that jurisdiction. The member jurisdiction(s) which awards the contract as a result of this solicitation is responsible for the award, etc. of its portion of the contract only. The issuing jurisdiction shall not be held liable

Each member jurisdiction which purchases as a result of this offer will be responsible for placing orders directly with the successful vendor, arranging all deliveries, reconciling discrepancies and invoices, and issuing payments.

Failure to offer the terms and conditions of the contract to any member will neither disqualify a bidder nor adversely affect the award of the contract.
